ALL OUR ACTIVITIES ARE BASED UPON

“उपयोगिता”
“पूरकता”
“भागीदारी”

हम **विचारों** पर काम करते हैं जो अनुभव
को बदलता है और ठीक करता है
कार्य और व्यवहार को.

We work on

UNIVERSAL HUMAN VALUE

education makes students understand that purpose of education is to have:

This understanding makes the students naturally independent, Additionally, education empowers students to refrain from three conservative thoughts of living:

शिक्षा : जीने के लिए ज्ञान।
ज्ञान : जिससे जीवन उत्सव पूर्वक जिया जा सके।

मैं शिक्षित होकर

- 1- स्वस्थ रह सकूं।
- 2- समृद्धि पूर्वक जी सकूं।
- 3- संबंधों में तृप्ति पा सकूं।
- 4- व्यवस्था में भागीदार हो सकूं।

शिक्षित व्यक्ति पर सवार तीन भूत।

- 1- लाभोन्मादी अर्थशास्त्र
(पैसा ही सब कुछ है।)
- 2- कामोन्मादी मनोविज्ञान
(इन्द्रियों में ही सुख है।)
- 3- भोगोन्मादी समाजशास्त्र
(सुविधा ही जीवनशैली है।)

DISCIPLINE- reason for success

Discipline IN MUNI MEANS “स्व-अनुशासन.”

मुनि छात्र "खुद को" समझता है और
समाज में उसकी भूमिका को भी।

Muni International School works on PRINCIPLE

वर्तमान में पूरे विश्व में या तो करके सीखो या सीख कर करो और
मुनि स्कूल में समझ कर करो

MUNI RESEARCH & DEVELOPMENT DIVISION

Only in Muni International School

- Rules are introduced in the life of students from childhood, they are habituated to live by rules from childhood itself.
- Students following Zebra crossing in school

Respect and service of parents is one of the prime preferences in our education system.

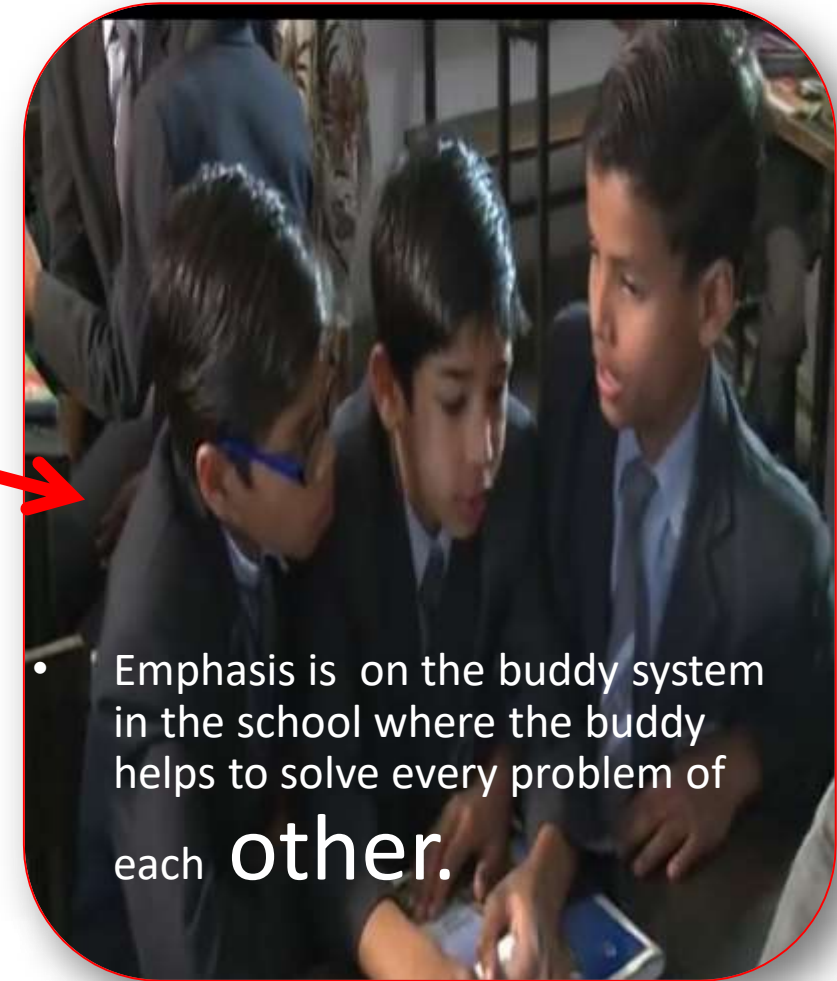

MUNI RESEARCH & DEVELOPMENT DIVISION

ONLY IN MUNI INTERNATIONAL SCHOOL

- The BUDDY SYSTEM inherently and effectively TRANSFORMS BULLYING and INSENSITIVITY TO COMPLEMENTARITY.

IN MUNI, WE BELIEVE

- 'श्रम ही विश्राम है'
 - परिणाम का अमरत्व
 - गति को गंतव्य

- Emphasis is on the buddy system in the school where the buddy helps to solve every problem of each **other.**
